"Dobio!" Qwoxyl roared.

The man laughed as he took a single step forward with the sound of his black clad armour coming together.

The man spoke once again. "We meet again...under the final hour of fate."

XwaynecoltX whispered into ramagi's ear. "Whatever you do, you must put the cure in. We cannot be stopped at any costs."

"Resistance is futile!" Roared Dobio. "I will not hesitate in killing your friend here if you do it. Give me the cure now!"

ramagi stepped forward as everyone stepped in horror. randyrandy growled. "Sister!"

ramagi flinched as she faced randyrandy. "I'm sorry, but I can't."

*Randyrandy gasped when he saw ramagi, tightly gripping his lollypop as he did so. It seemed that this was not the first time that he had seen her.*

ramagi moved to Dobio as he handed him the cure. The man smiled as he gave his thanks. "Why how kind of you. See how easy it is when you comply?"

the\_phantom\_spancker gritted his teeth as he stared at Dobio indignantly, who destroyed the cure with a blue flame. Tom\_s00 released his hold from Inuzuka-Kiba, who quickly stepped away.

"Now," He smiled. "I will give you all an ultimatum."

"No one's going to follow your ultimatum!" Hissed \_lightning\_.

"Oh they will now. *Sors Mori!*" At that instant, TheJoe324 fell to the ground, dead. "After they hear what I have to say."

No one spoke. There was silence. "All those who wish not to die just like BonusStage and TheJoe324; I will give you all an offer. Join me and you will live and together, we shall show our true powers to all!"

"As \_lightning\_ said," Growled carmelhadinosaur. "No one will join you."

ShittyKitty and Rooty-The-Pie stepped forward with the group's jaws in awe. They turned to face the other with smirks on their faces.

"My spies," Smiled Dobio. "Know all."

"How," Gasp Afterburner. "Could you?"

"Anyone else?" Smiled Dobio.

"Sorry," Muttered M-A-R-C-U-S as he moved towards Dobio. "I don't want to die."

Dobio laughed. "I have unlimited source of alcohol too!"

Slightly\_Crazy\_Dude moved at the word 'alcohol'. He did not say anything and did not look back at the group.

"Those who have joined you are all fools!" Spat RedCircle. "No one else would dare do so."

Yet he was wrong. FIGMENTUM and MPA stepped towards Dobio as the man laughed. "Last chances now; anyone else?"

Jonthomson shook his head as he stepped forwards. "I'm sorry...but I don't want to run anymore."

No one moved as the man summoned another ball of light. The smaller group stepped back as Dobio squeezed it with randyrandy falling to the ground.

ramagi screamed as she ran to her long lost brother. D0GMA stepped to her side, whispering something in her ear.

"Well then, no else wants to join me?" Smiled the man. "The n so be it! Yoink! Seal the hole or I will kill you as well!"

YoinK\_VineS quickly took his rod as he summoned a binding spell on the earth, aware that Dobio could hear him. He dared never join the man and his stupid group.

Dobio finished with a skill that would cause anyone to attempt to open the hole to be faced with death. He laughed once more.

"I guess that's all. Now that we've done what's done, we are finished and we shall leave you be. You are no harm to me any longer!"

And with that, the newly formed group vanished with a flash of light.

At once, the group quickly ran around TheJoe324 and randyrandy. Ramagi picked her brother's lollypop and kept it at her side as tears rolled down her face.

"Dobio did it...again." Cursed ReconRebel.

"No, he didn't." Smiled Eldarion, trying to reassure everyone.

"What do you mean?" Asked Crono-.

"I *accidentally* dropped...the second vial into the hole." A smile curled onto his lips.

"Thank you," Smiled gfoxcook. "Our gratitude to you cannot be expressed in any words."

The wind calmed as all stood before the two bodies, dead from the hands of Dobio. There were spies, who had betrayed the men's trust and people who did not have faith in fighting for hope. Yet the virus that had threatened the submission for too long had been put to an end at a great loss. It was, as the stories of fate said, that all would go astray, as there would be men that would threaten the world with the knowledge of the Ancient ones. While the group mourned over the death of their friends, the group of resistance were hidden from the rest of the world. And northwards, beyond the fertile plains, a Geminus lord rose...
